

Model No: SE603

**PRATT COMBINATION SHOWER WITH TRIPLE NOZZLE EYE & FACE WASH  
WITH BOWL. NO FOOT TREADLE**

This combination model is constructed mainly of 304 stainless steel, with 316 stainless steel ball valves and threaded components, and AES plastic eye-face wash nozzles including 6 aerators and self-closing dust covers. It is suitable for both indoor and outdoor applications.

The shower outlet also includes a 90LPM flow regulator, and the eye-face wash incorporates individual flow adjustment to provide a balanced flow output.
