

PRATT AEROSOL CAN STORAGE CAGE: 1 DOOR | 2 SHELVES

PRATT Aerosol Storage Cages provide a secure and practical solution for the storage of aerosol containers in industrial and commercial workplaces. Available in compact bench-top and larger floor-standing configurations, the range offers capacities from 42 to 800 aerosol cans.

FEATURES & BENEFITS:

- Compact bench-top or floor mounted design.
- Galvanised hasp latch suitable for padlock use (padlock not included).
- Anchor tabs for securing to a suitable surface.
- Ideal for small aerosol storage requirements.
- Heavy-duty steel construction.
- Yellow powder coated finish for durability and visibility.
- Welded steel mesh panels for ventilation and product visibility.
- Solid steel roof and floor.
- Secure lockable door design.
- Available in flat-pack and selected assembled configurations.
- Designed to encourage safe storage and good housekeeping practices.

SPECIFICATIONS:

Model: PSGC2A-FP (Flat-pack)

Configuration: Two Storage Levels

Capacity: Up to 84 Aerosol Cans

IMPORTANT NOTES:

1. Aerosol storage capacities are estimates only and are based on loose aerosol containers with an approximate diameter of 68mm.
2. Actual storage capacity may vary depending on container dimensions, packaging and storage arrangement.
3. Bench or ground fixing is recommended. Fixing hardware is not supplied.
4. Padlocks are not supplied.
5. Product specifications may change without notice as part of ongoing product improvement.
